

Identifying Colors

Reproducibles

Twenty Color Cards (two of each color: red, green, yellow, blue, orange, black, brown, white, pink, and purple) and three Color Sheets are provided below. Use these items for Identifying Colors. Feel free to add additional colors when appropriate.

Bonus Materials: The Independent Activities and many of the images/options found on the Label templates linked below, are not found in print Teaching Packages, Flash Drives, Ready-Made Materials Bundle, or under Supplemental Information in UnitusTI.
