MONEY MATH – FLOW CHART 1: CALCULATOR

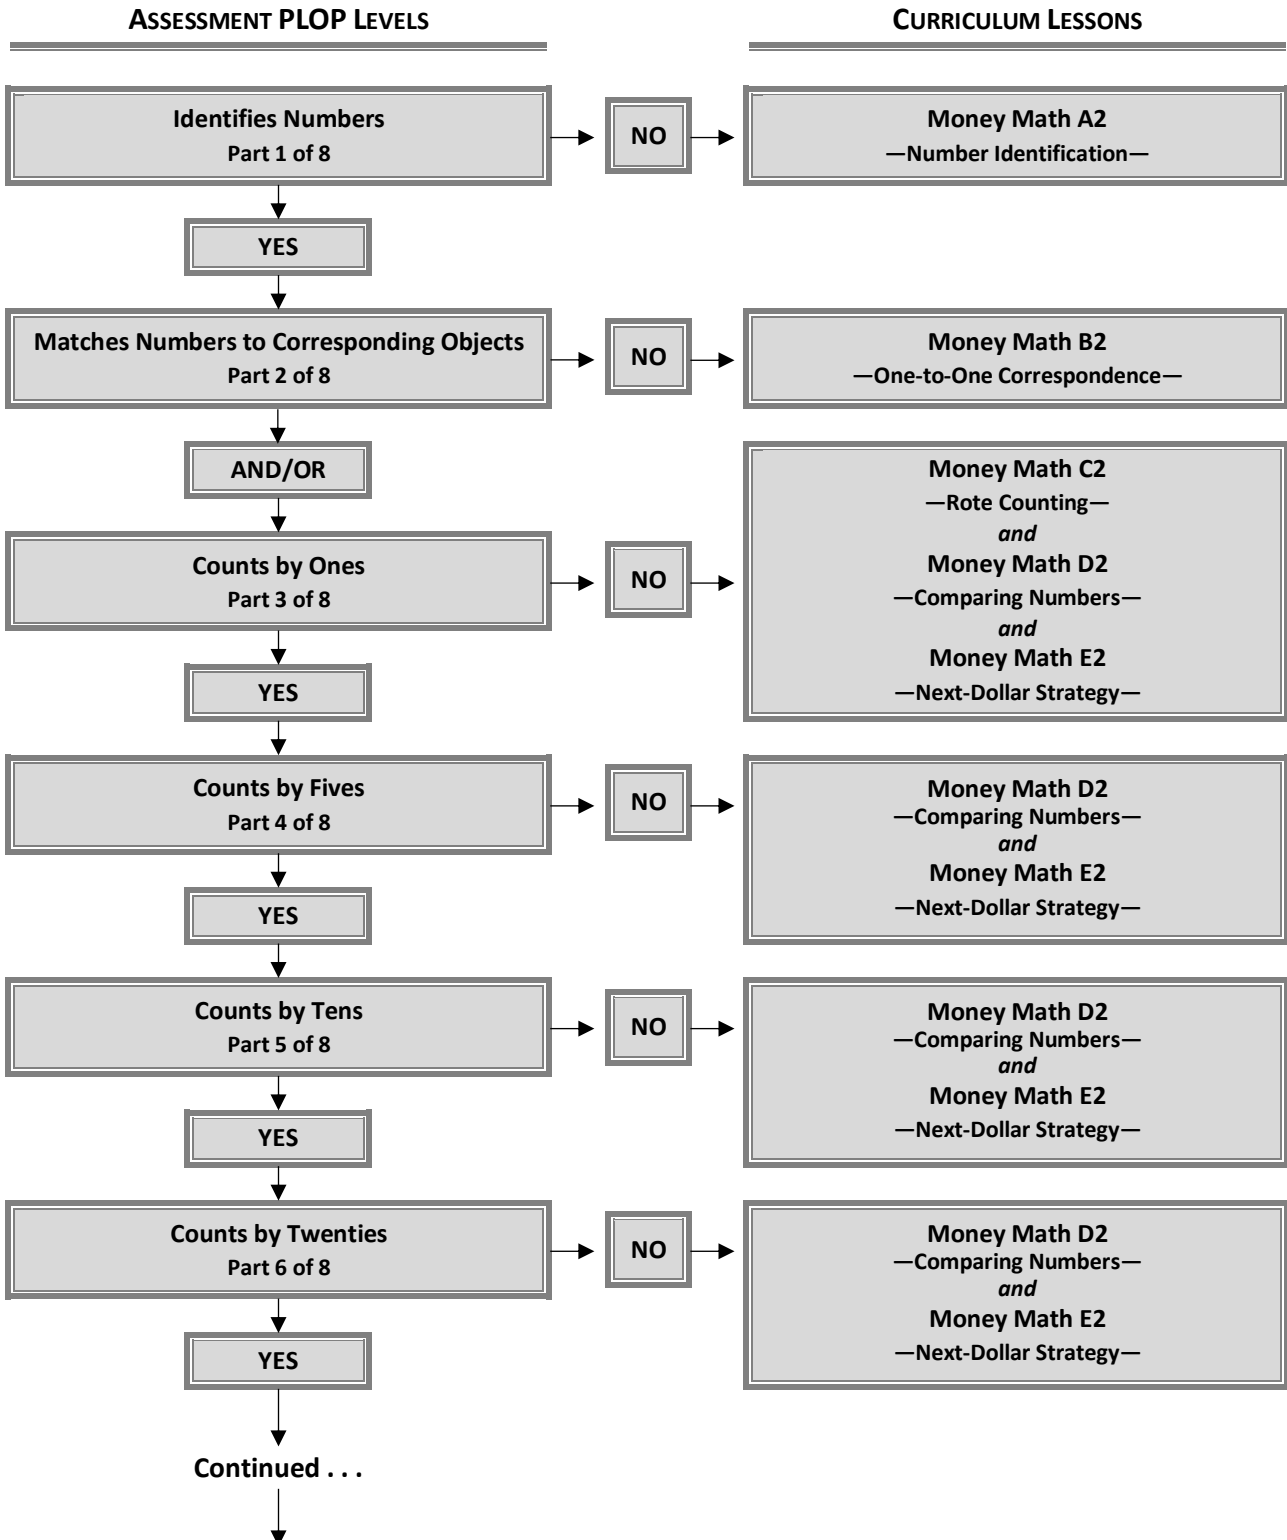

CURRICULUM FLOW CHART

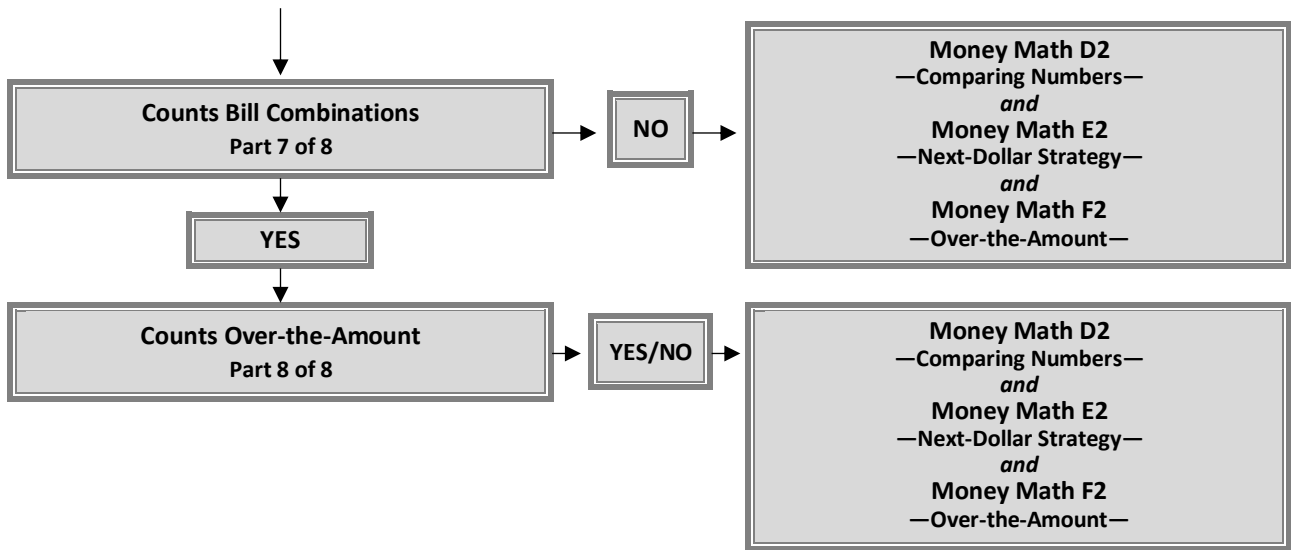

IMPORTANT! Teach these lessons in conjunction with Community-Based Training programs for Shopping with a Calculator, Eating Out (Restaurant), Eating Out (Fast Food), etc.

MONEY MATH – FLOW CHART 2: BILLS

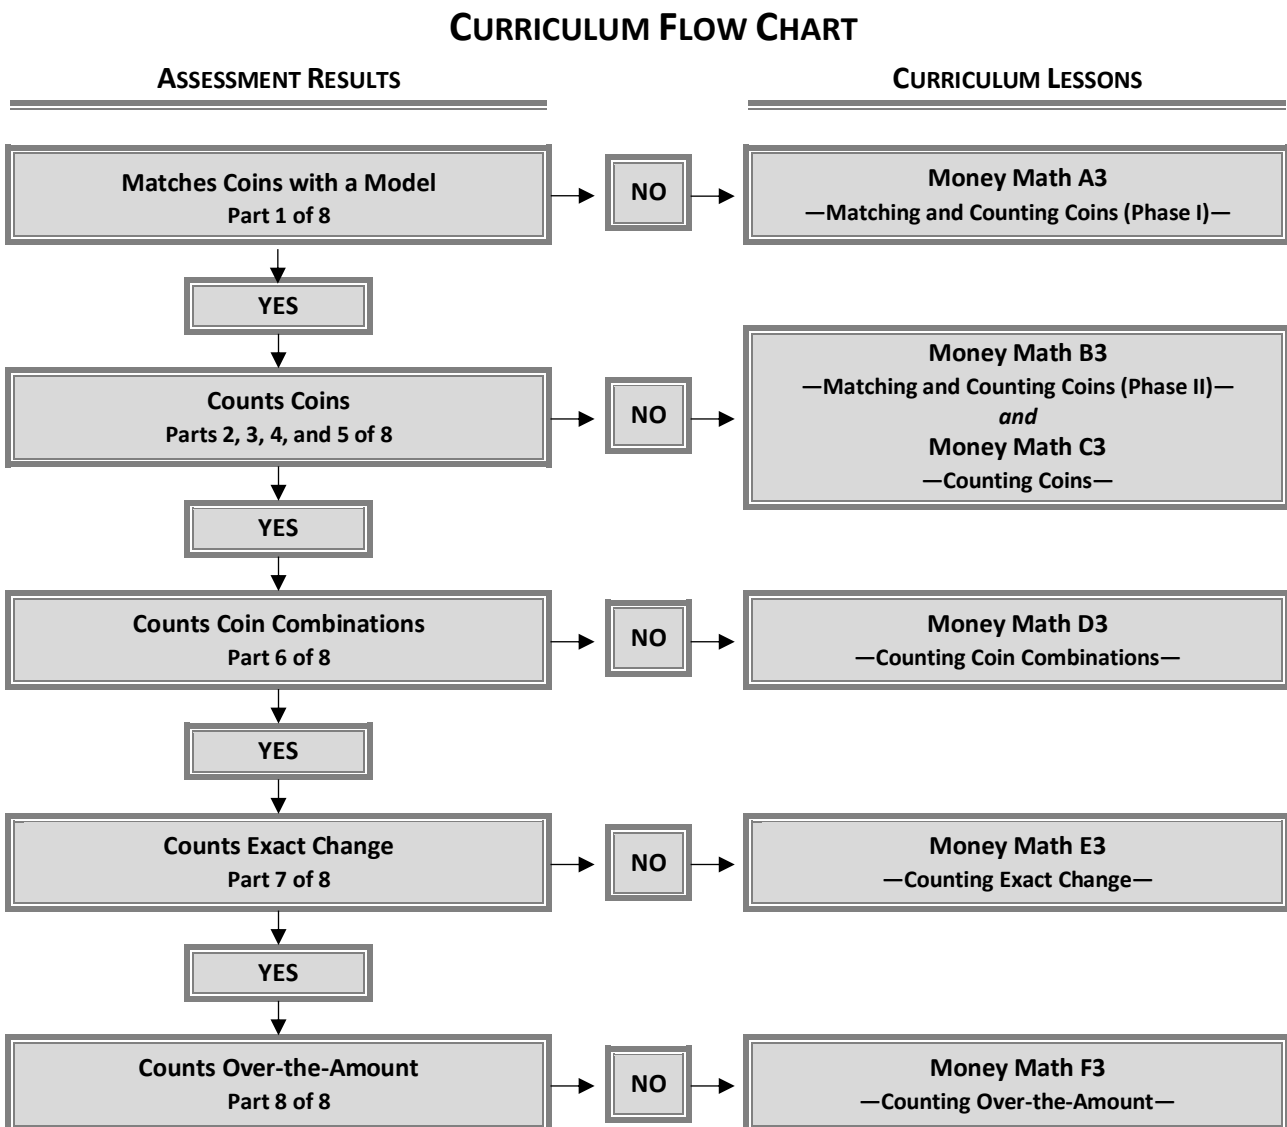

CURRICULUM FLOW CHART

IMPORTANT! Teach these lessons in conjunction with **Community-Based Training** programs for Shopping with a Calculator, Eating Out (Restaurant), Eating Out (Fast Food), etc.

MONEY MATH—FLOW CHART 3: COINS (OPTIONAL)

Note: The use of coins is becoming obsolete. Therefore, teaching Coins is optional. While learning to count in various denominations is a useful skill, use your judgment to determine whether or not teaching Coins is appropriate and a good use of your student's time.

IMPORTANT! If teaching Coins, teach in conjunction with **Community-Based Training** programs for Shopping with a Calculator, Eating Out (Restaurant), Eating Out (Fast Food), etc.
