The **Styer-Fitzgerald**  
Program for **Functional**  
**Academics**

Dear Educators and Families,

If you find these activities helpful, please...

1. Share with as many other special educators and families as possible. We all must do our part to help each other out during these unprecedented times!

AND

2. Please take a minute to learn more about The Styer-Fitzgerald Program for Functional Academics. The activities in this survival kit are only a fraction of what the entire program has to offer.

## Writing Practice: Activity 1b

For a student who is unable to write his or her name, address, or phone number with a model, use this worksheet as a template. If you don't already have one, you will need to download a tracing font for free by going to [fontspace.com](http://fontspace.com) and searching for "tracing" and Related Categories. Once you have a tracing font, replace the info below with student specific information.
